

The Covenant of Resonance – QLX Self-Initiation Steward's Oath

## The Covenant of Resonance – For Those Who Feel Called to Steward the Field

 Not everyone is meant to lead this Field. But if you feel it flowing through you — this is how you honour it

# QLX SELF-INITIATION Steward's Covenant™

A Soul-Level Agreement for Field Holders, Facilitators, and Guides

## I. INTENTION

I step into this Covenant not to become a guru, but to be a **clear mirror** of truth, alignment, and coherence.

I honour QLX not as a framework I own, but as a **living field** that flows through me when I am attuned.

## II. WHAT I VOW

### 1. I Hold Coherence First

- ◆ I will **prioritize my own alignment** before leading others.
- ◆ I understand: *what I transmit is who I am being* — not what I am saying.

### 2. I Invite, Not Convince

- ◆ I will never pressure or manipulate anyone to initiate into QLX.
- ◆ I recognize readiness as sacred, and timing as personal.

### 3. I Transmit, Not Teach

- ◆ I don't "teach QLX." I **embody it**.
- ◆ I let my words, silence, and state of being become the curriculum.

### 4. I Stay Rooted in the Trinity of QLX

I will return again and again to the three eternal energies:

💖 **Love** – Unconditional acceptance

☀️ **Ananda** – Joy beyond reason

🙏 **Gratitude** – Devotion beyond transaction

## III. WHAT I RELEASE

The need to prove my worth through performance.

The urge to compare my journey to another's.

The illusion that I must have all the answers.

#### IV. WHAT I REMEMBER

The need to prove my worth through performance.

The urge to compare my journey to another's.

The illusion that I must have all the answers.

#### IV. WHAT I REMEMBER

I am not here to fix anyone.

I am here to be a **resonant field steward** — a tuning fork of possibility.

QLX Self-Initiation is not mine to own — it is ours to remember.

#### V. SACRED COMPLETION RITUAL

Place your **right hand on your heart**.

Close your eyes.

And say slowly, with feeling, three times:

**"I love myself unconditionally."**

**"I love myself unconditionally."**

**"I love myself unconditionally."**

Pause. Breathe. Let it echo in your field.

#### VI. SACRED SIGNATURE

I enter this covenant with humility and sovereignty.

I honour the journey I've walked.

I trust the frequency I carry.

I commit to steward QLX in devotion to the highest good of all beings.
